PRINCIPAL'S PAGE

Welcome back! Thank you to all that attended our Christmas concert, it was a wonderful display of our student's talents and their ability to work together. I would like to thank Mrs. Whenham for her amazing effort in creating our concert. A reminder to please make sure that your child is dressed properly for the weather. Extra clothing, toques, and gloves are always a good idea during these cold and snowy months.

This is the last week of Quarter 2, with Quarter 3 beginning on January 31. Thank you to all those who attended our Parent Teacher interviews. Your child's learning progress is available through online reporting in PowerSchool. Please check the Parent Portal in PowerSchool for your child's Quarter 2 marks and comments from their teacher(s). You can access your PowerSchool account from the Centennial school website <https://www.centennialschool.ca/>. If you need information about how to set up or access your account please contact the school office at 780-352-5088. If you require a paper copy of your child's quarter 2 progress you can contact the office and we can print a copy to send home with your child. Please refer to the WRPS Assessment and Reporting Handbook 2022-2023 on our website for more information about curriculum, assessment and reporting procedures. We will have a Celebration of Learning assembly on Feb 8 at 2:00 pm, to recognize our students' success. Parents are welcome to attend and we hope to see you there.

Reading Aloud with Children

Once children learn to read independently, we often think that they now only need practice reading for themselves and we help them with sounding out tough words. However, children can still learn a lot from us reading to them. Both are still important! Beginning children's leveled books are simple in order, so that young people can begin to read, but children still need exposure to vocabulary beyond their reading level to develop their ability to understand what they learn and read. Much of that essential vocabulary development comes from reading to children. Reading aloud to children builds so much more than just an enjoyment of reading.
