BRITTANY FISHER – MENTAL HEALTH PRACTITIONER

WHAT IS A MENTAL HEALTH PRACTITIONER?

Hello! My name is Brittany Fisher and I am the Mental Health Practitioner at Centennial School. I offer supports to children and families, both within and outside of the school setting. These supports are aimed to provide early interventions and prevention initiatives within our school through the Integrated School Support Program (ISSP).

ABOUT ME

I am a strong advocate for families, children, and youth and hold a wide knowledge of community and therapeutic supports.

I enjoy learning and would be a 'forever student' if I could.

I love animals and have a dog and cat named Panda and Marmalade. You can see their pictures in the bottom corner!
